Machinery / Tools

Home and Office
Automation and BMS

Form Work and Scaffolding

A LANDMARK ALLIANCE FOR INDIA'S BUILT ENVIRONMENT

India's two leading architecture bodies, the Indian Institute of Architects (IIA) and the Council of Architecture (COA), partnered with Municipalika 2026, CAPEX, and PWX, marking a milestone collaboration to advance design excellence, construction innovation, and sustainable urban development.

Together, they lead design-focused initiatives at Municipalika 2026, including:

- Urban Innovation Challenge Design Ideas Competition for young architects and planners.
- IIA Council Meeting and
- Engagement with 500+ architects and city leaders.

Unlike other shows in the domain, Municipalika is the only show that, in addition to the B2B segment of Builders, Architects and Contractors, gives you access to the B2G segment of Government buyers.

B2B VISITORS
