future cities
a 360 degree event on city development & public works

CAPEX | MUNICIPALIKA SMART & SUSTAINABLE CITIES | PWX PUBLIC WORKS EXPO

Safe and Secure Cities Theme takes Centre Stage at Municipalika 2026

New Delhi | 22 December, 2025: Municipalika, India's leading platform for **Safe, Smart and Sustainable City Solutions**, will have **Safety and Security** as one of the important themes at its **18th edition.** Organised by **Fairfest Media,** India's leading tradeshow organiser and **Good Governance India Foundation**, and co-organised by **ITPO** (India Trade Promotion Organisation), Municipalika will take place from **25–27 February 2026** at **Bharat Mandapam, New Delhi**. With **PRAMA India** and **CP Plus**, two of the country's most prominent surveillance and security technology leaders, confirming their participation, Municipalika 2026 is set to deliver a landmark showcase of **next-generation urban security and surveillance solutions**.

Security & Surveillance: A Core Focus Area

- **PRAMA India**, a leading Indian manufacturer and solution provider in surveillance technologies, operates at the intersection of **public safety, critical infrastructure protection, and smart urban governance**. A **consistent exhibitor for the past four editions**, PRAMA will participate as the **Principal Partner** at Municipalika 2026.

- **CP Plus**, one of India's most widely recognised security technology brands, will showcase a comprehensive range of **city-scale, enterprise-grade and critical-infrastructure-ready solutions**.

The participation of these two market leaders, along with other suppliers from the sector firmly positions **security and surveillance as one of the strongest thematic pillars** of Municipalika 2026.

Strong Buyer & Decision-Maker Presence Expected

Municipalika 2026 is expected to attract senior decision-makers and buyers from:

- Urban Local Bodies & Smart City SPVs
- Transport Authorities & Metro Rail Corporations
- State Police & Disaster Management Agencies
- Public Works Departments & Housing Boards
- Airports, Industrial Townships & Commercial Real Estate
- EPC Contractors, System Integrators & Urban Infrastructure Planners

For these stakeholders, the event will serve as a **key marketplace for evaluating and adopting city-scale security and surveillance solutions**.

National Institutions & Industry Bodies Lend Support

- The **National Disaster Management Authority (NDMA)** will participate to showcase its initiatives and activities, along with a senior delegation, and active involvement in **panel discussions**, reinforcing the link between **surveillance, early warning systems, emergency preparedness, and disaster-resilient urban planning**.

- Leading national associations including **NAFO (National Association of Fire Officers)**, **FSIF (Fire & Security Industry Forum)** and **ESAI (Electronic Security Association of India)** have extended **Industry Support** to Municipalika 2026.

What Exhibitors Will Gain:

- Direct access to senior government decision-makers and procurement agencies
- Engagement with transport authorities, metro corporations, and state police departments
- Connect with EPC contractors, system integrators, and infrastructure planners
- Enhanced brand visibility alongside industry leaders and national institutions
- Networking with key stakeholders in the urban infrastructure sector
- Unparalleled reach with **10+ countries, 25+ Indian states, 300+ exhibitors, 500+ cities represented, 3,000+ delegates, and 10,000+ trade visitors**
- Insights into emerging trends and procurement priorities

About Municipalika — India's Most Comprehensive Platform for Safe Cities:

This convergence of **leading surveillance companies, national disaster and fire authorities, industry associations, and institutional support** positions **Municipalika 2026** as India's most significant platform for advancing **safe, secure, resilient and future-ready cities**.

Safety technologies, fire preparedness, disaster resilience and integrated security systems will take centre stage, reflecting their growing importance in shaping India's next phase of urban development.

Municipalika 2026 is where India's journey towards safer, smarter and more secure cities comes together.

Co-located with **CAPEx (Construction, Architecture, Planning & Engineering Expo)** and **PWX (Public Works Expo)**, **Municipalika 2026**, is the only 360 degree event on city infrastructure, urban development and public works that uniquely helps products, technologies, and solutions reach both **B2B and B2G buyers.**
